

## **HSBC MALAYSIA MOBILE BANKING APP**

### **Credit Card Payment via HSBC Malaysia Mobile Banking App**

- Introducing a seamless way of performing credit card payment on the go with the HSBC Malaysia Mobile Banking App
- Log on with your biometrics or 6-Digit PIN.
- Once you've logged on, to view the transaction or details of the particular credit card, select the credit card you wish to view.
- Tap on 'transaction' to view the transaction history and 'details' for information like current minimum payment due, credit available and more.
- To begin your credit card payment, select 'Move Money' and click on 'Pay and Transfer'.
- Under 'from' select the account you wish to debit your account from.
- Under 'to', select the credit card you wish to pay.
- Next, fill in all the necessary details and continue.
- Verify your payment details and click confirm.
- Now you're all done!
- It's easy.
- You can now make your credit card payment with the mobile banking app in just a few taps
- Download the HSBC Malaysia Mobile Banking App now from App Store or Google Play store.
