

HSBC MALAYSIA MOBILE BANKING APP

Perform Instant Transfer via HSBC Malaysia Mobile Banking App

- Introducing a new and seamless way of performing instant transfer with the HSBC Malaysia Mobile Banking App.
- Log on with your biometrics or 6-Digit PIN. Once you've logged on, select "Move Money" and click on "Pay and transfer" option.

-
- To begin, select the account you wish to make a transfer from, followed by choosing the receiving account
 - Next, fill in your fund transfer details. You may select your preferred transfer option as "Instant Transfer" under Transfer Method. Select "Continue" when you complete the required fund transfer details.
 - Verify your fund transfer details before you click "Confirm".

-
- Now, you are all done! It's easy. You can now make fund transfer with our mobile banking app, in just a few taps.
 - Download the HSBC Malaysia Mobile Banking App now from App Store or Google Play Store
