23 January 2007

The plight of the flood victims in Johor has touched the nation and HSBC has been doing its part in helping to ease their flood woes. To date, the Bank has donated a total of RM100,000 to the flood relief efforts. The money was used to buy foodstuff, clothes, blankets and various other daily essentials, which were air-lifted to Flood Relief Centres in Kota Tinggi, Batu Pahat, Pagoh and Mersing.
