## HSBC Volunteers at MAB's Open House

*Staff of HSBC Securities Services who volunteered at the MAB's Open House*

A total of 28 staff from HSBC Bank Malaysia Berhad's Securities Services department volunteered their weekend to serve the blind community during the Malaysian Association for the Blind's (MAB) annual open house.

HSBC staff were assigned duties to set-up tables, take food orders, and serve the visually impaired guests.

Even though everyone was tired after serving six and a half hours, the staff commented that they looked forward to another similar community project.
