

# Revision of Card Verification Method for Provisioning of HSBC Supplementary Credit Card/-i to Mobile Wallets effective 16 February 2026

26 January 2026

**Dear Valued Customers,**

Effective 16 February 2026, the current verification method for provisioning of supplementary HSBC credit card/-i to Apple, Google, and Samsung Wallet using SMS One-Time Password (SMS OTP) will be removed. In order to provision HSBC supplementary credit card/-i, it must be activated by calling the bank. Hence, the primary cardholder is required to call our Contact Centre via the number provided on the verification screen to complete the mobile wallet provisioning process for their supplementary credit card/-i within 30 days from the date the provisioning attempt was made.
