

Dear Valued Customers,

19th August 2016

New Safe Deposit Lockers (SDL) Rental Charges Effective 10th September 2016

We would like to inform you that with effect from 10th September 2016, rental charges for our Safe Deposit Lockers (SDL) will be revised. The new rental charge will be applicable on your next SDL's anniversary date. Please refer to our Tariff and Charges available at www.hsbc.com.my or the Appendix (attached).

As such, please amend your current Standing Instruction to reflect the new rental payment before the SDL's anniversary date to avoid the hassle of topping up the amount every year or avoid the difference sum being outstanding.

You can do so by:

- Visiting the branch where your SDL is opened; or
- Download the "Cancellation or Amendment of Standing Instruction" form from our website's Download Centre section (www.hsbc.com.my), and mail the completed form to the branch where your SDL is opened.

*Note: Please complete the Cancellation or Amendment of Standing Instruction form to reflect the new rental charges per annum (**amount before GST**).*

Reminder to customer

Please ensure that your deposit account is maintained active for the continuous usage of the SDL services. If you have a joint SDL account, all renters and co-renters must maintain an active deposit account at all times (jointly or respective sole account). Deposit account closed under dormancy will result in the closure of the SDL account.

If you no longer need the SDL services and wish to terminate the same, kindly visit your branch of SDL account for assistance.

For inquiries, please call our Contact Centre or visit our branches.
